

## DOCTOR'S CAFÉ #28

COMBINED SESSION:

### CAREER SEMINAR &

### ORIENTATION FOR THE FL JOINT PROGRAM IN INDONESIA

*Doctor's Café is a space for open and dynamic discussions and cross-disciplinary exchange, featuring a wide range of guests from various fields, including researchers, entrepreneurs, and investors from both inside and outside TUAT.*

## ***“Transforming Food and Agriculture through Engagement as a FAO intern and/or in FL Joint Program in Indonesia”***

*In Doctor's Café #28, officers from the Food and Agriculture Organization of the United Nations (FAO) will introduce internship opportunities and activities in the Asia-Pacific region (Indonesia). FLOuRISH will also present the FY2025 training program to be held in August in Indonesia with the University of Indonesia for Master's and Doctoral students.*
